HAMILTON COLLEGE.

ADMISSION.

It is required that candidates for admission to the Freshman Class, should be not less than fourteen years of age, with a corresponding increase for an advanced standing; that they furnish evidence of a good moral character, and, if from another College, a regular dismission; and that they sustain a satisfactory examination on the Preparatory Studies, or for an advanced class, on the several studies to which the class they propose to enter has attended. None can be admitted into the Senior class after the winter vacation.

RHETORICAL EXERCISES.

Frequent exercises in Composition, Translation, and Forensic Disputation, take place in the several classes. Besides these, on Wednesday and Saturday of each week, all the students are required to attend public exhibitions in the Chapel, of Declamation, Select Translations from the Classics, and original Essays and Orations, under the direction of the Professor who has charge of the Rhetorical Department.

LIBRARIES AND CABINETS.

The College and Society Libraries, amounting nearly to 10,000 volumes, are at all times accessible to Students. Geological and Mineralogical Cabinets are also connected with the College, sufficiently large for the ordinary purposes of instruction.

RELIGIOUS INSTRUCTION.

Prayers are usually attended in the College Chapel every morning and evening, with reading of the Scriptures. Public services are attended in the Chapel, on the Sabbath, when all the Students are required to be present, except such as have permission to attend at other places of worship. In all the classes there is also, on Monday morning of each week, a recitation from the Greek Testament.

EXAMINATIONS.

1. Of all the classes at the close of the first term.
2. Of all the classes at the close of the second term.
3. Of the Senior class four weeks previous to Commencement.
4. Of the three other classes the week previous to Commencement.

PUBLIC PERFORMANCES.

1. Junior Exhibition, one week after the beginning of the third term.
2. Prize Declamations, on the evening preceding Commencement.
3. Commencement, on the fourth Wednesday in July.

TERMS.

EXPENSES.

Board, from $0,75 to $1,50 per week,.....	$29 25	to	$58 50
Room rent, average $3,00 per term,.....	9 00	"	9 00
For sweeping, and other contingencies,.....	4 00	"	4 50
For expense of recitation rooms,.....	1 00	"	1 50
Tuition in Senior and Junior classes,.....	30 00	"	30 00
Amount in Senior and Junior classes,.....	$73 25	"	$103 50
Tuition in Sophomore and Freshman class,.....	21 00	"	21 00
Amount in these classes,.....	$64 25	"	$94 50

In addition to the above, any damages voluntarily committed in the community of Students are charged to the individuals committing them, when known: to the whole body when not known, under the name of Extra Contingencies.

The above estimate of expenses is, of course, very considerably diminished in the case of those Students who take advantage of the resolution of the Board of Trustees, which provides for a remission of their bills for tuition.

A Student admitted to an advanced standing, unless from another College, is charged, to the Sophomore class $7, to the Junior $10, and to the Senior $12.

PAYMENT OF BILLS.

It is provided by a resolution of the Board of Trustees;

1. That no Student shall be permitted to enter on a second or any succeeding term, until he shall have paid, or secured to the satisfaction of the Treasurer, the fees of the preceding term.

2. That no Student can have an honorable dismission from this College, or certificate of his previous attendance in it, until all his bills are paid, or satisfactorily secured.

3. That any Student whose circumstances render it necessary, and who shall present satisfactory testimonials of that fact, provided he proves himself a worthy member of the College, and his under graduate course is completed in this institution, can have his bills for tuition remitted.

ABSENCE FROM COLLEGE.

The portion of the year allotted to vacations is so great, as to render it quite unnecessary for the Students to visit their friends during the term, except for urgent and unforeseen reasons. The occasional loss of a day, can not fail to have an unfavorable bearing on the intellectual habits and standing of the Student. It is hoped that parents and guardians will concur with the Faculty, in their opinion of the inexpediency of granting leave of absence in ordinary cases.
